*Restoring Hope Transplant House
Middleton, WI*

INTERESTING FACTS

- The Transplant House is a caring environment that offers high quality, affordable accommodations for adult patients and family members/care givers.
- The transplant house is not a medical facility.
- The transplant house will have 16 bedrooms each with their own bathroom
- For more information on the Restoring Hope Transplant House please visit: www.restoringhope.org
- In 2008, more people than ever in Wisconsin made the decision to donate their organs.
- A total of 229 donors shared the gift of life in Wisconsin last year.
- OPO's (organ procurement organizations) are organizations that recover solid organs for transplantation. These organs include: heart, liver, lungs, kidneys, pancreas and intestines.
- In the state of Wisconsin there are two OPO's: The University of Wisconsin OPO and Wisconsin Donor Network.
- The US Transplant Games are a bi-annual athletic competition for transplant recipients to compete and show that transplantation really does work. There are also donor family and living donor ceremonies.
- The 2010 US Transplant Games will be in Madison Wisconsin from July 30 to Aug 4, 2010.
- Only transplant recipients can compete, but anyone can join Team Wisconsin at the US Transplant Games. Donor Families, living donors, friends and family members.
- For more information on the 2010 US Transplant Games visit: www.transplantgames.org
